The map shows a large orange landmass on the left with a small blue star on its western coast. To the right of the landmass is a small orange circle. A blue wavy line runs vertically on the right side of the map. A compass rose is located in the center of the map. A legend box in the top right corner contains two entries: a brown rectangle labeled '4000' and a white rectangle labeled '2000', both under the heading 'CONTOUR INTERVALS'.

The map shows the North Pacific Ocean with latitude lines at 48°N and 40°N, and longitude lines at 111°W, 109°W, and 107°W. A red arc represents the search area. The flight paths of the USS Intrepid's search parties are indicated by arrows and aircraft symbols.
